The Openness of Local Government Bodies Regulations 2014 permits the audio and visual recordings and photography of Parish Council public meetings, by members of the public and / or the media in accordance with the Council's protocol on Recording of Public Meetings.

1. This notice will be attached to the agenda of each public meeting held by Toft Newton Parish Council and will be included on our website <https://toft-newton.parish.lincolnshire.gov.uk/>.
2. The regulations allow any member of the public or media to use Social Media platforms, such as X, blogs, Facebook, Instagram or similar services to report the meeting.
3. Toft Newton Parish Council do not routinely record our meetings, however, arrangements can be made if so required.
  - a) If meetings are recorded, the recording will be made available to any resident of the Toft Newton parish, member of the public or the media, by prior arrangement with the Proper Officer.
  - b) In accordance with current data protection protocols, all recordings will only be retained for as long as is necessary. It would be our intention to delete the recording following the subsequent meeting.
4. At the start of each meeting the Chair or the Proper Officer will ask if anyone intends to digitally record, photograph or broadcast the meeting, so that members of the public are aware of any digital recording.
5. Although there is a statutory right to photograph and record meetings, the proceedings of the meeting must not be disrupted by the use of media tools, and any such recordings must not inhibit the involvement of other members of the public.

6. The Chair has the absolute discretion to terminate or suspend any recording activities if, in their opinion, continuing to do so would prejudice proceedings at the meeting. The circumstances in which termination or suspension might occur will include:
  - a) A public disturbance or suspension of the meeting.
  - b) The meeting agreeing to formally exclude members of the public and press from the meeting due to the confidential nature of the business to be discussed.
7. The recording and reporting of Parish Council meetings is subject to the laws in force at the time, and it is the responsibility of those undertaking the recording and reporting to ensure compliance. This will include, but is not limited to, the Human Rights Act, the Data Protection Act and the laws of libel and defamation.
8. Toft Newton Parish Council is not liable for the actions of any person making a recording of a public meeting which identifies a member of the public, nor the publication of that recording.

meaning that it became Statutory Guidance on the 1<sup>st</sup> of July 2026.

The Code of Practice is not law; but it is designed to help HM Courts and Tribunals Service when deciding discrimination cases.

At 340+ pages, there is a lot to digest, therefore, it would be appropriate to wait for Lincolnshire Association of Local Councils (LALC), the National Association of Local Councils (NALC), the Local Government Association (LGA) or the Society of Local Council Clerks (SLCC) to issue guidance for Town and Parish Councils before creating any further policies or procedures that have an equality basis to them at this stage.

Any implications from the Code could apply to Toft Newton Parish Council (services and facilities provider), Toft Newton Village Hall Association (facilities provider) and to Newtoft Social Club (membership association).
