Comments / observations

£500 is the anticipated replacement value - if a Windows laptop is purchased it will need to run Windows 11 or higher.

£40.00 is an anticipated replacement cost - however both Currys and Argos have 15.6 inch cases for around £20.00.

Consumables will need replacing as and when used or upon expiry. The Defibrillator itself is due for replacement in 2028.

Replace when degraded sufficiently to warrant replacement.
